[based on *The Routledge Handbook of Second Language Acquisition and Language Testing*]

(3) Which statement is true? 解答番号は24。

- ① Language learners' proficiency levels described in the CEFR depends on the purposes, situations, and circumstances of the communication.
- ② The descriptors in the CEFR are reliable because they were created by second language acquisition researchers.
- ③ The CEFR was revised in 2018, and more than 40 existing standards were replaced with new standards.
- ④ The CEFR is only applicable for English because English is widely used not only in Europe but all over the world.
- ⑤ The CEFR serves not only as a teaching tool for language teachers, but also as a qualification for language learners.

(4) If you were estimated to be B1.2 on the CEFR level, what would your proficiency level be expected to be on the ACTFL? 解答番号は25。

- ① Intermediate High reader in ACTFL
- ② Intermediate High writer in ACTFL
- ③ Intermediate Mid speaker in ACTFL
- ④ Intermediate Mid listener in ACTFL
- ⑤ You cannot estimate it using ACTFL assessment

< C >

Read the following passage. To answer (5) and (6), choose the most appropriate answer from ① to ⑤.

[based on *Second Language Writing*]

(5) Which statement is **NOT** true as an example of the underlined part? 解答番号は26。

- ① To learn more about the topic in the textbook, students search for newspaper articles on the web and read them.
- ② To make a video introducing Japanese culture to overseas students, students email them about what they are interested in.
- ③ To practice gestures for speeches, students make pairs in a class and give feedback when exchanging partners.
- ④ To practice communicating with others on the Internet, students post comments on the bulletin board.
- ⑤ To gather evidence to use in debates, students search the Web for texts written from different perspectives on environmental issues.

(6) Which statement is true? 解答番号は27。

- ① Purcell et al. (2013) recruited more than twenty-thousand teachers in their survey.
- ② Some teachers are concerned about students' Internet literacy in technology-based writing classes.
- ③ Teachers should introduce technology that encourages autonomous English learning to their students.
- ④ Teachers should actively use technology to improve their own writing skills.
- ⑤ Technological developments have brought synchronous online meetings into schools, but asynchronous teaching has delayed.

2 Read the following passage. To answer (1), (2) and (3), choose the most appropriate answer from ① to ⑤.

[based on *Reading on Purpose*]

- (1) Why was Hypatia killed? 解答番号は28。
- ① Because she turned down an offer of marriage from the Roman governor.
 - ② Because men at that time had few options and were treated as property.
 - ③ Because she was a researcher and the symbol of science.
 - ④ Because she was so beautiful and a talented librarian.
 - ⑤ Because the Archbishop of Alexandria loved her.
- (2) Which statement is true as an example of the underlined part? 解答番号は29。
- ① Only humans do science.
 - ② We should take a global perspective.
 - ③ Individuals are precious.
 - ④ Resources are not eternal.
 - ⑤ A community should embrace others.
- (3) Why did the possibility of a brilliant scientific civilization occur only once, approximately 2,000 years ago? 解答番号は30。
- ① Because people who wanted to do science gathered in one place from all over the world and tried to spread scientific knowledge.
 - ② Because scientists showed interest in politics in the period after the fall of the government of Ptolemy, and were suppressed by the rulers.
 - ③ Because when researchers created machines and steam engines, they publicized their results to the public.
 - ④ Because many scientists, including the public, fell into mysticism and did not pursue sound science.
 - ⑤ Because social institutions such as slavery and discrimination prevented people with scientific potential from having opportunities to conduct research.
